## Application

I wish to apply to conduct transactions with Services Australia electronically using online claiming.

The terms and conditions of my legal relationship with Services Australia in respect of transactions conducted using online claiming are set out below.

### 4 Approved software

When conducting a transaction with Services Australia using online claiming, I must use a version of a software product approved by Services Australia.

I understand that Services Australia may revoke its approval of a version of a software product at any time. By approving a particular version of a software product, Services Australia is not stating that the product is suitable for any purpose or that the product meets any quality standards.

### 5 Security and Authentication

I must ensure that all communications I send to Services Australia using online claiming are signed and secured with a Medicare PKI Site certificate or PRODA organisation.

### 6 Privacy

I must not send any personal information (as identified in the *Privacy Act 1988*) to Services Australia using online claiming unless the information is encrypted using Medicare PKI Site certificate or PRODA organisation.

### 7 Services Australia's rights

Services Australia may from time to time change its technical requirements in relation to the use of online claiming which may require me to upgrade my software.

Services Australia is not responsible for any costs, losses or damage I, or people acting on my behalf, incur in connection with the online claiming system including, without limitation, communications costs, software acquisition or support costs or losses associated with the online claiming system being from time to time inoperative or inaccessible.

## 8 Termination

Services Australia may, at its absolute discretion, at any time suspend or terminate my right to communicate with Services Australia using online claiming, whether because of a breach of these terms or for any other reason.

I may terminate this contract with Services Australia at any time by giving a written notice to Services Australia. I understand that I will not be able to conduct transactions with Services Australia using online claiming after I give such notice.

If this agreement is terminated, my obligations under clauses 9 and 11 will continue in respect of any claims I made using online claiming before the date of termination.

## 9 Retention of records

If I lodge a Medicare claim assigned to me under section 20A of the *Health Insurance Act 1973* (a 'bulk bill claim') using online claiming, I must ensure that I am able to provide, in response to a request from Services Australia, evidence of service to a patient.

To assist you, evidence of service may be demonstrated through provision of:

- electronic billing information
- notes in practice software
- appointment records
- copy of assignment of benefit forms (if retained)
- other records that may provide evidence of service to a patient.

## 10 Changes to terms and interpretation

Services Australia may change or add to these terms at any time, by giving me notice by:

- mail
- fax
- email, a message sent to my business email address, as held in Services Australia's records, or
- the notice published on Services Australia's website at [servicesaustralia.gov.au/healthprofessionals](http://servicesaustralia.gov.au/healthprofessionals).  
It is my responsibility to check this website regularly for any notices.

If I use online claiming after I have been notified of a change or addition to these terms, I will be taken to have agreed to the change or addition in respect of all uses of online claiming after that date. These terms may not be changed orally or by conduct.

For the purpose of clauses 4 to 10 of these terms, the use of online claiming by a person acting on my behalf is taken to be a use of online claiming by me.

I must ensure that people acting on my behalf do not do anything that these terms prevent me from doing.

## 11 Medicare Site certificate and PRODA transmissions

This clause applies whenever I, or someone acting (or purporting to act) on my behalf, lodges a bulk bill claim regarding health services I have rendered using a Medicare PKI Site certificate or PRODA organisation.

From time to time, **within 30 days** of receiving a written request from Services Australia, I must sign, date and give to Services Australia a written declaration about the bulk bill claims lodged by me or on my behalf for a period determined by Services Australia (such period **not to be of greater duration than 6 months**, and the commencement of the period **not to be more than 12 months** before the date of Services Australia's request). My declaration must be substantially in the form (if any) required by Services Australia.

If I lodge a declaration with Services Australia that corrects information in respect of a bulk bill claim previously lodged with Services Australia by me or on my behalf and, as a consequence of that correction, Services Australia determines that it has paid a Medicare benefit to me inappropriately, I must, on demand by Services Australia, immediately:

- repay to Services Australia an amount equal to the relevant benefit, **and**
- pay interest to Services Australia on the amount of the relevant benefit, from the date the benefit was paid to me by Services Australia, until the date I repay the amount of the benefit to Services Australia, at the rate from time to time prescribed for the purposes of section 129AC of the *Health Insurance Act 1973*.

If, for any reason whatsoever, I fail to sign, date and give to Services Australia a declaration **within 30 days** as required by this clause, then I must, on demand by Services Australia, immediately:

- repay to Services Australia an amount equal to all Medicare benefits paid to me by Services Australia as a consequence of bulk bill claims lodged by me or on my behalf during the period that the declaration should have covered, and
- pay interest to Services Australia on the amount of those benefits, from the date the benefits were paid to me by Services Australia, until the date I repay the amount of the benefits to Services Australia, at the rate from time to time prescribed for the purposes of section 129AC of the *Health Insurance Act 1973*.

Services Australia may (at its discretion) set off any amount from time to time owing by me to Services Australia under this clause against any Medicare benefits or any other amounts at any time payable by Services Australia to me.
